

# DISRUPT 2024

Disrupting the Pipeline to Prison  
through Restorative Theatre©

*Help Youth Reintegrate After Incarceration and Create a “Brighter Future!”*

We are seeking support from businesses and individuals interested in helping underserved youth in Colorado reintegrate successfully after incarceration by sponsoring our annual DISRUPT event, a panel discussion and educational event which features a moderated discussion about reintegration, youth art, live stream, donor engagement, and a happy hour. By sponsoring the event, you will have the opportunity to highlight your company’s products and services while you do your part to empower youth to become positive members in their communities and to create a “Brighter Future”.

Through your sponsorship you will help sustain the mission of Mirror Image Arts while helping us prepare for the launch of our “Brighter Future” Reintegration Center opening in July, 2024. The Center will welcome previously incarcerated youth seeking solace and support in rebuilding their lives. Walk-ins and scheduled meetings will become the canvas upon which the MIA highly trained staff will collaboratively craft a personalized roadmap through initial intake assessments. Basic needs met, one step at a time, the Center will be a sanctuary of restoration. MIA has strong relationships with other community organizations offering varying support services. Our partnerships with these organizations will ensure that all youth on their reintegration journey will have a well-rounded system of support.

***Reintegration services for formerly incarcerated youth have a transformative impact on their journey back into the community, addressing diverse challenges and fostering positive outcomes. By focusing on education, skill development, and job placement, these services pave the way for stability and purposeful engagement. Mental health support and mentorship contribute to emotional well-being, while efforts to rebuild positive relationships facilitate community reintegration. Legal assistance and advocacy help navigate hurdles, promoting a fresh start. In essence, these comprehensive services empower individuals to break free from cycles of incarceration, allowing them to thrive as engaged and empowered members of their communities.***

I am honored to have the opportunity to request that you support us in our efforts. Should you need any clarification or further information, please feel free to contact me. I hope I have the pleasure of meeting with you to discuss our organization and this proposal. On behalf of Mirror Image Arts’ Directors, staff, volunteers and most importantly the youth served by our programming, thank you for considering our proposal for support.

Warmly,
