Mirror Image Arts, a local non-profit organization, is seeking a donation from your business for our upcoming event, I Got Your Back! This event will take place on September 18th, 2021 and will feature a live music, silent and live auctions, food, beverages and more!

Mirror Image Arts passion and purpose is to Disrupt the School to Prison Pipeline using theatre as the vehicle to create a safe and inclusive environment and to engage young people in social emotional development and community-building activities that "foster empathy, leadership, and compassionate action". Each year we work with more than 1200 young people through partnerships with local schools, community centers, and the juvenile justice system.

By donating to this event, you will have the opportunity to bring restorative theatre and restorative practice to youth all over the Denver Metro Area while highlighting your company's products and services through your support. Please review the attached sponsorship package and contact me at t.mazza@mirrorimagearts.org, with any questions.

"Each youth who has attended this program has worked hard to make changes in their lives and no youth is ever the same after attending this amazing program. I would recommend this program to any youth who may be interested in stepping out of their comfort zone and having a lot of fun in the process!"

~Taralyn Clark, Behavior Health Specialist - Golden Peak Youth Service Center
